

Differences between the PILOT Series and Professional Series GuestCall equipment

GuestCall is the generic name for the family of products used to call guests back to a 'collection' point (normally the pager point of issue).

The Pilot Series is available in the following products:

Discs Pagers

Paddle Pagers

The Professional Series is available in ALL other products:

Digital Discs (DigiCoaster) Pagers

SLIM Pagers

IQ Pagers

Paddle Pager

The Pilot and Professional Series products are not interchangeable.

See table below for specific information:
