

UniPage

FUSION All-In-One Paging System

The **FUSION** Guest Paging System alerts guests when their wait is over. The FUSION Guest Pager is part of the premium range from UniPage and boasts many high end features.

User Replaceable Batteries

Minimise maintenance cost with user replaceable batteries

Transmitter and charger as one unit

Save on counter space with this all in one unit.

Dedicated Advertising Space

Easy access advertising space to boost your venue's marketing engagement

Durable Design

Sealed and protected against dust and liquid

LED Numbers

Digital LED number display. Perfect for low light settings

Beep/Vibe/Flash Alert with multicoloured LEDs

Choose your colour

User Programmable

Customise your system on site with over the air programmability

Smart Charger Display

The pager will display 'CHR' when charging

Illuminated Slots

Perfect for low light settings

With the charger and transmitter as one unit, businesses can save on counter space while delivering the best service to their patrons. Streamline and improve your operations with the **FUSION All-In-One** paging system.

The FUSION All-In-One can hold 20 pagers and the system can be expanded easily to suit your business.
